ABOUT US

Unifab India is an epitome of renowned apparels in merchandising corporate uniforms. Our pioneering expertise in uniform apparel etiquettes emerge a myriad enigma of excellence, in accelerating clients to revolutionize change and flourish.

Our stupendous journey as uniform manufacturer embarked in the year 2001 from Hyderabad, However in Fabrics business we are since 70 years in domestic market. We catered our in-depth expertise and discernible insights accelerating from Hyderabad. Exponentially, our innovative operations plunged into merchandising expansion in North India with branch office based in Delhi.

Two decades of meticulous dedication towards this industry and varied expertise in garmenting and designing to blend with our expertise in manufacturing the finest corporate uniforms for the global sector. Today with immense pride we attribute ourselves as one of the leading uniform suppliers spanning across India, with massive customer distribution. We cater potent distribution services Globally.

We have diversified clients emerging from domains like hotels, restaurants, Hospitals, colleges, corporate institutes, industries and more. Our enriched client base perceives utmost pride and trust in the finest quality uniforms we provide depicting the flawless finishing motifs.

We adhere by the notion of sheer uniform manufacturing encompassed with the technical advancements of machinery. Under the expertise of highly skilled staff, we abide by enriched production and quality control processes. Nevertheless, to unfold the myriad sequin of best industrial uniforms with unsurpassable quality.

The combination of today's volatility, changing growth areas, and new technologies disrupting the global economy have given way to a more connected and discernible global fashion consumer than

Our precisely formulated uniform manufacturing processes in parallel to enriched trending techniques with timely production and delivery services in conjunction to the competition of corporate uniform manufacturing business. We never deceive our customers in the pretext of low costing by catering them with uniforms manufactured with minimal quality fabrics in adherence to cost cut. Thereby, we ensure to provide utmost satisfaction to our customers attributing them with fine sheer quality they often seek for, collaborating with screened selected and superior quality fabrics. It is impossible for us to compromise on factors like comfort, appeal, shrinkage resistance and color fastness. After all, we work relentlessly to attain 100% customer satisfaction, assuredly, is our means to suffice the void of apparel excellence.

OUR VISION

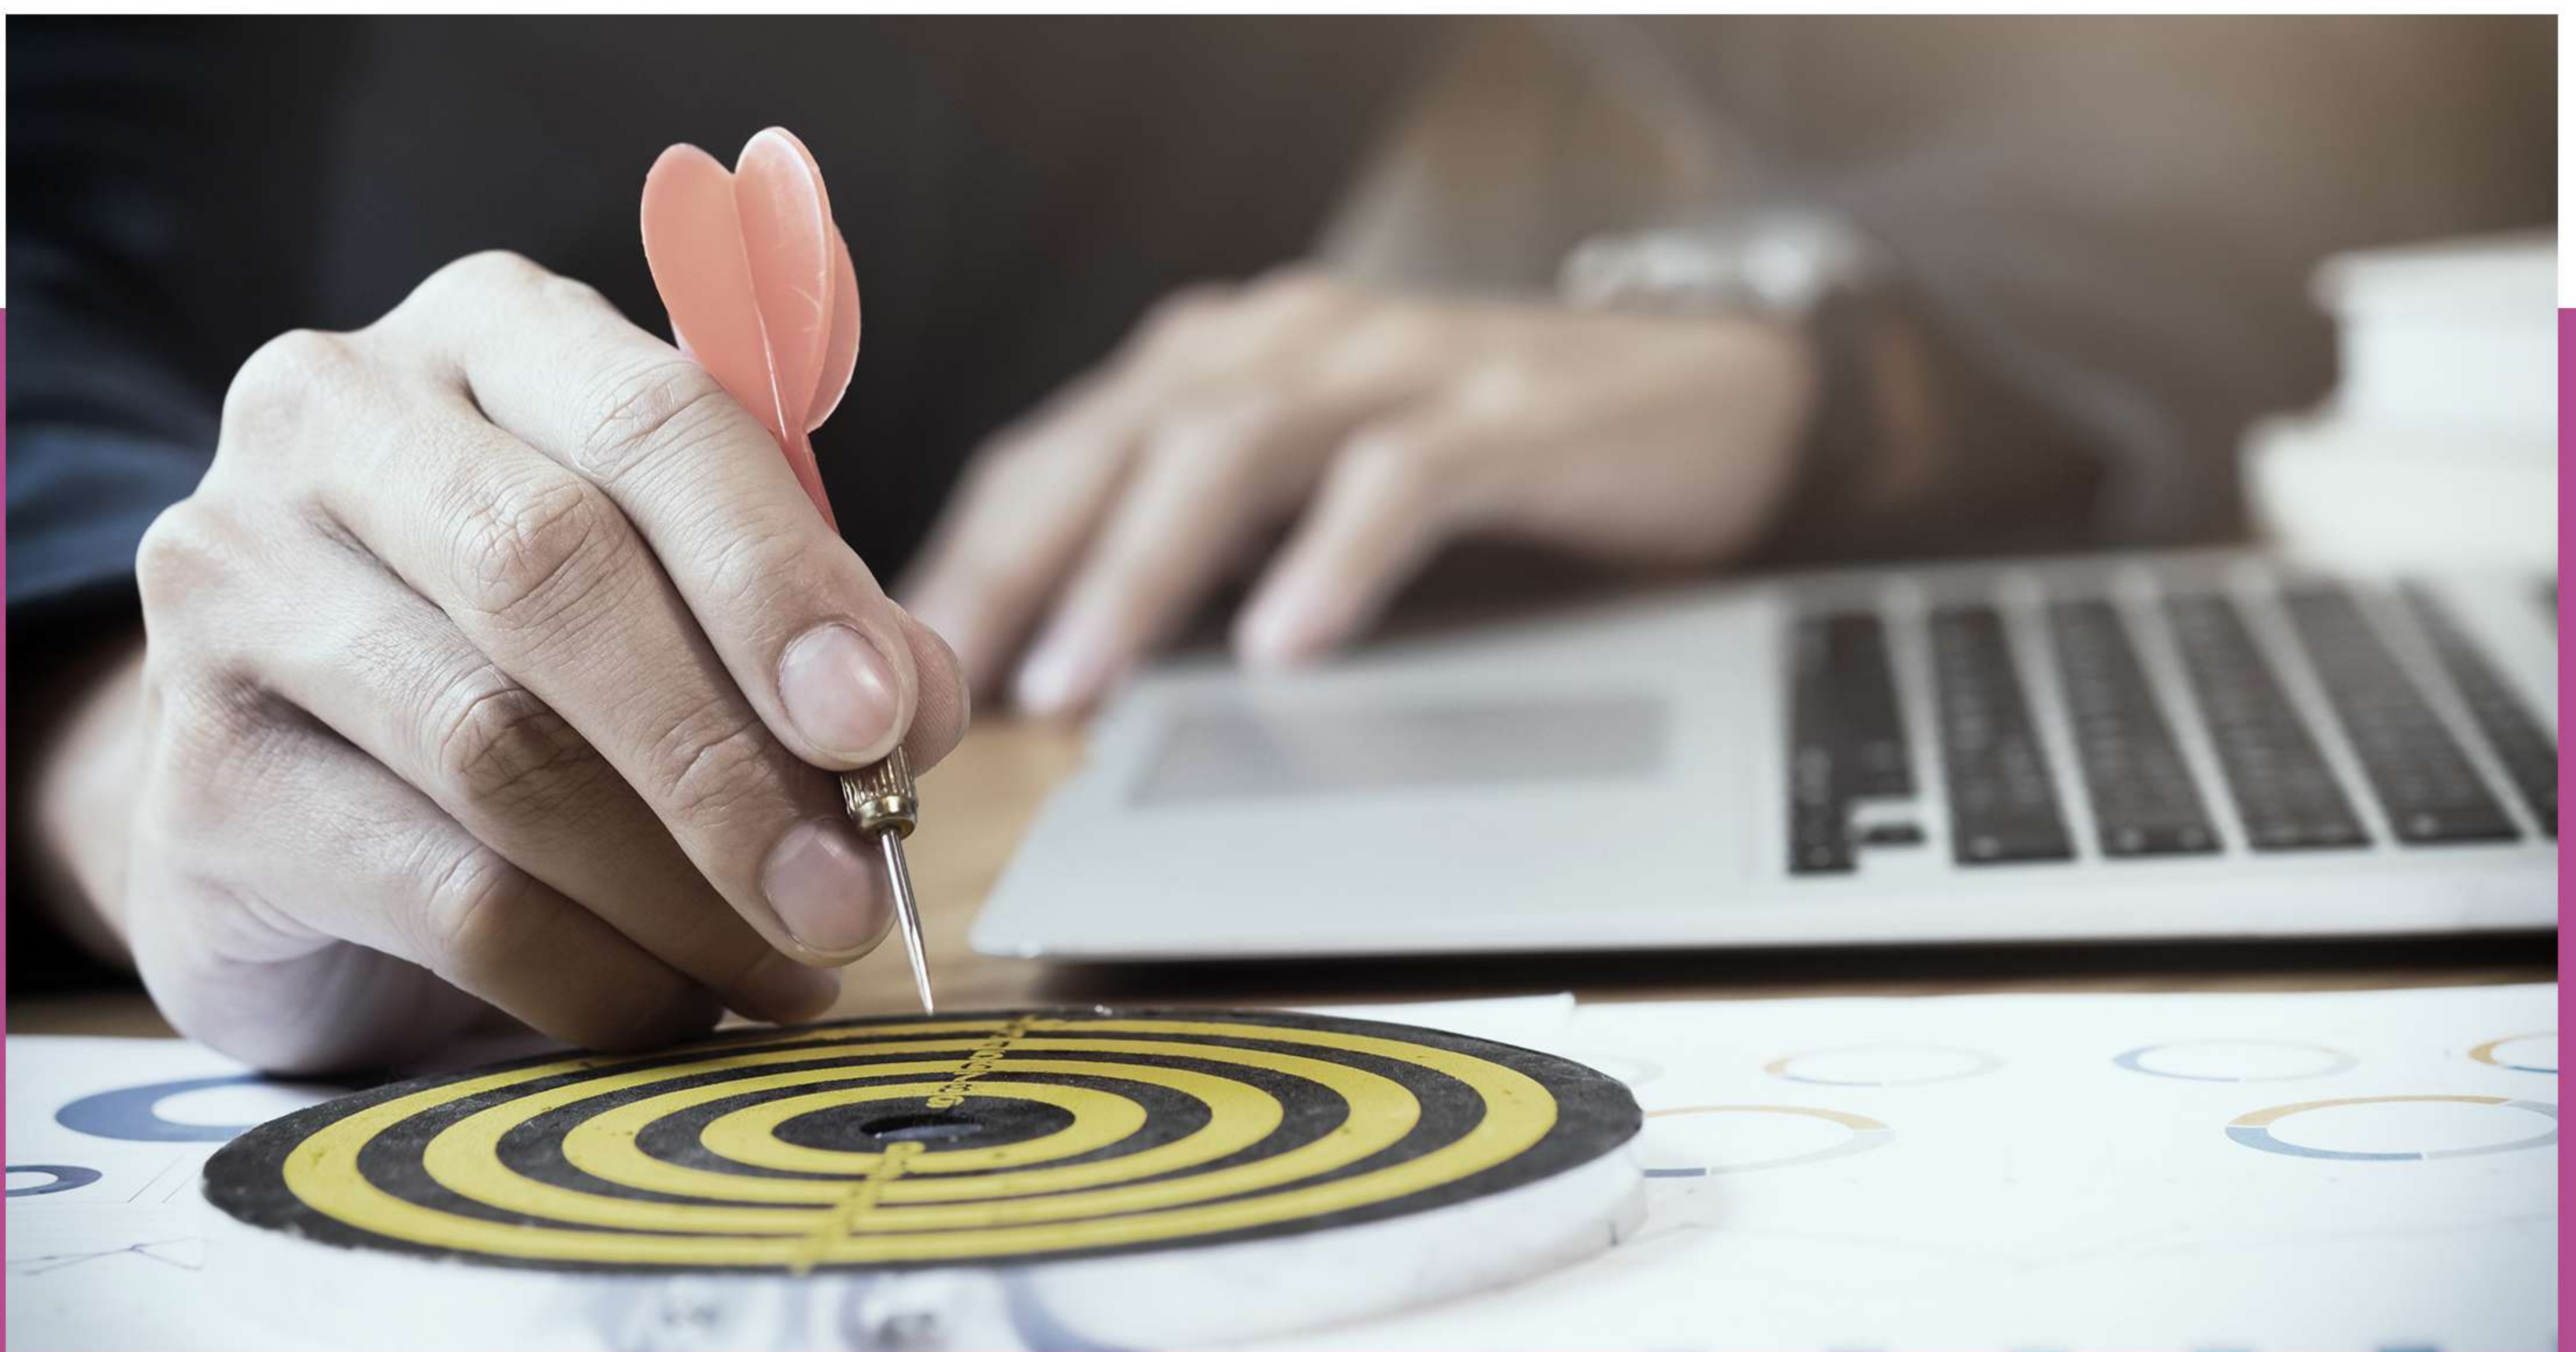

With relentless efforts and implementation of innovative technologies and methods, we wish to conquer by establishing ourselves as the eminent leader in the uniform manufacturing business. We intend to create a benchmark for the quality and timely services in uniform apparel manufacturing business.

unifab[®]

OUR MISSION

Our mission is to translate our services nation-wide with a splendid network of distributors spanning across every part of the country. With quicker turn-around for bulk orders and reduced delivery time, we wish relentlessly to attain 100% customer satisfaction in near future.

OUR INFRASTRUCTURE

unifab[®]

We own a permanent infrastructure for our organization, which is located in urban locality of Hyderabad and expanded over a large area of about 2000 square feet. We practice latest techniques to get the desired range of products as per our client's requirement. Advance and extra ordinary machinery are installed in our production and other units, which help us to increase our productivity along with, give us trouble free performance.

WHY US?

Today, in this arena, Unifab India undoubtedly is the eminent uniform supplier in India. We attribute these reasons for the consistent trust by our customers in fulfilling their industrial uniform requirements.

Quality of par Excellence

We are recognized for the flawless quality of uniforms we cater, uniforms that are weaved with enriched superior fabrics, uniforms that reflect high appeal, uniforms that comfortable to wear, also uniforms with the utmost desired parameters like shrinkage resistance, tear resistivity and color fastness and uniforms that all desire for.

Our uniforms deliberately undergo layers of strict quality control measures during the manufacture, under the supervision of the quality experts. Also, Our products are timely tested for quality, durability and functionality post manufacturing processes. Henceforth, we promise to roll out the finest quality of rich apparels without fail.

In-House Production

We do not outsource manufacturing services as we carry the preconceived notion of performing tasks on own. Our in-house production method enables us to diligently manufacture uniforms in accordance to the client's requirements. Hence, we are capable of manufacturing uniforms in compliance to client brand standards also effectively replicate the apparels as per their prerequisite criteria. We uphold the prejudice in stating that we possess best control over the quality parameters as the task of manufacturing uniforms is undertaken in our own units.

Advanced Manufacture & Design Facility

We are known for our stringent timely services and this has catered for us through our enormous, advanced manufacturing and efficient design facility that enables us to complete our orders pertaining to almost any size within stipulated time periods.

With the possession of advanced range of machinery in house, we are successfully able to provide flawless fabrication embarked with smooth finishing motifs of unique designs in our uniforms.

Huge Product Range

We cater to the varied uniform requirements pertaining to different industry sectors and domains like hotels, schools, restaurants, corporate institutions, healthcare and more. We have an enormous product range which simultaneously includes Chef coat industrial uniforms, boiler suits, Lab coat coats, work wear, company logo and customized shirts, promotional caps and shirts, chef caps, aprons, catering uniforms, corporate Tshirts and much more. Assuredly which makes it effortless for our clients to get their hands on the personal choicest uniforms and work wear matching their immediate needs.

Unifab India is lead by a supremely eminent talented director, Mr.Rajkumar Modi, who holds 50 years of rich experience in the textile industry. His enlightening guidance is motivating our organization in arena of new statures encompassed with accomplishments and achievements. Our team is utmost capable of preforming excellent in a collaborated approach by implementing their creative thoughts and myriad ideas.
